Summer Arts & Movement Camp

June 14-August 27, 2010
Ages 3-12 years

New Jersey State Licensed Camp
to be held at
720 Monroe Street, C-504, Hoboken.

The Summer Arts & Movement Camp is for children ages 3-12 years.

The focus of the program is to provide students with a well-rounded experience and exposure to the arts while nurturing individual confidence and expression.

Artists/teachers with professional education and experience teach age appropriate classes in their particular arts discipline in groups of 15 or less. All of our teachers have experience and background teaching children 3-12 years.

On staff each day, is an art teacher and two dance/movement teachers. The art teacher presents a variety of art mediums and forms in the daily classes.

The dance/movement teachers teach a combination of creative movement, dance, yoga, theater games, eurhythmics and movement stories.

Included in our activities are singing and song writing, storytelling, writing stories, poems and plays, illustrating stories and poems, presenting plays and dance pieces as well as weaving and jewelry making.

Throughout the day, as teachers we encourage creativity, exploration, and individuality as well as group cooperation.

Instrumental in our work are our teen assistants.

Each teacher is provided with assistants according to the age and size of the group. This insures all students receive individual assistance and attention during classes and in transition to other activities.

All of our teens show a special joy and interest in working with children and have experience spending time with our age range of children.
